HOMEX, NEW DELHI.

From Srinivasan to R.C.Dutt Ministry of Home Affairs Reference correspondence resting with this office letter No.9575/CB dated 20th January 1950. Grateful for immediate reply. Meanwhile copies of pro forma and Confidential Reports of officers concerned already forwarded. Please confirm at once all junior officers mentioned will be interviewed by Special Recruitment Board.

CHISEC

I would have very much liked to have discussed this matter with you while I was at Delhi for the Chief Secretaries' Conference on the 24th and 25th February last, but due to some oversight here this particular matter had been lost sight of.

Please see the letters of this office bearing Numbers 9343/CB dated 17th January 1950, and 9575/CB dated 20th January 1950, still unanswered.

I take it that in the light of your D.O. letter No.12/5/50-AIS dated 30th January 1950, there would be no objection to all the junior scale officers whose confidential reports have already been sent being interviewed by the Special Recruitment Board and that the selection would be up to 30 persons from amongst them, as proposed by this Government. I shall be grateful for an immediate clarification of this point and for confirmation that all the 85 Assistant Commissioners now profferred for the interview will be interviewed, and that a number up to 30 would be selected,

provided of course the officers are found suitable.

IMMEDIATE

D.O.No:12/19/50-AIS.

NEW DELHI-3, the 23rd March, 1950.

Dear Mr. Srinivasan,

M

Please refer to your D.O. letter No.12208/CB, dated the 17th March 1950, on the participation of the Mysore Government in the Indian Administrative Service (Extension to States) Scheme.

2. I confirm that all the junior officers recommended by the State Government will be interviewed by the Special Recruitment Board, and such of those who are found suitable will be selected for appointment to the Indian Administrative Service. As pointed out in para.2(iii) of my official letter No.12/3/49-AIS, dated the 31st December 1949, Government of India would have no objection to the total number of selections from the State officers exceeding if necessary the total cadre strength fixed for the state - the excess if any to be adjusted in later years by short recruitment.

3. As regards the points raised about the conditions of service of the Indian Administrative Service officers in paras.3 and 4 of your letter No. 9343/CB, dated the 17th January 1950, I would like to point out that for reasons explained in the Ministry of Home Affairs letter No.40/49-AIS, dated the 7th February, 1950, addressed to the former provincial Governments, copy forwarded to you with Ministry of Home Affairs letter No.40/49-AIS, dated the 8th March 1950, along with copies of the Indian Administrative and Police Services Pay Rules, 1950, and the Indian Civil Administrative Cadre Rules and Police Cadre Rules, it was not possible to promulgate the Indian Civil & Administrative Services (Joint Cadre) Rules as originally planned. Further, the conditions of the All India Services in respect of seniority, retirement benefits etc. have not been finalised as yet. As regards fixation of pay of officers selected on the basis of the recommendations of the Special Recruitment Board, Government of India will, as already observed in para.2 of my letter of the 31st December, 1949, be guided by the recommendations in each case of the Special Recruitment Board who will give due consideration to the length of service, training, etc. of the officers selected.

4. We agree that the authorised strength of the Indian Administrative Service Cadre of Mysore should contain a quota for Central deputation. The exact quota to be fixed is, however, under consideration.

5. We have not been able to finalise the programme of the Special Recruitment Board but I think we should be able to visit Mysore before the end of April next for the selection of the State's Civil and Police officers.

Sir,

With reference to your letters Nos. 12836/CB, dated the 31st March 1950, and 99/CB, dated the 3rd April 1950, on the above subject, I am directed to say that it may not be necessary for Shri T. His claims for appointment to that service will be considered by the Board in due course. 2. The programme of the Special Recruitment Board has not yet been finalised and it is not possible as yet to intimate the exact date when the Board will be visiting the State. As soon as their programme is finally drawn up, the State Government will be informed.

(3) Please look and ask whether the Board's itinerary has since been fixed up, and if so what the dates are.

4) Ask also what arrangements would be made re. interview of Sri. T.V.S. Reddi, whether we may have to ask Sri. Reddi to come here for this purpose. This would involve a good deal of Expre for him, and possibly an alternative arrangement such as getting him interviewed by the High Commr. for India at London may be thought of.
